

Call for Papers

Journal of Environment and Safety

The Academic Consociation of Environmental Safety and Waste Management, Japan

Submission Guidelines

Journal of Environment and Safety is an English-language publication of the Academic Consociation of Environmental Safety and Waste Management, Japan.

The Journal publishes original research and current topics in the fields of environment and safety in universities and academic institutions to contribute to the education and the enlightenment for global environmental preservation and safety culture, as well as the development of the relevant studies, through **the activity of safety and health protection, environmental protection, solid-waste-treatment, and recycling of resources in universities** and other academic settings.

Selected papers from
ACSEL2021
will be published
as a special issue
in Vol. 13 No. 2, 2022.

Your articles are publishing in J-STAGE (Japan Science and Technology Information Aggregator, Electronic) web-based system. You can check its webpage here:

<http://www.jstage.jst.go.jp/browse/daikankyo>

Journal of Environment and Safety is also published in print once a year.

Submit your Research

All papers for consideration should be submitted online at:

http://www.daikankyo.org/academic_journal/submission_EN.html

For further information, visit the journal homepage and click on 'Notice to Authors of Papers'.

The deadline of manuscript submission for the journal is 30th April 2022.
